Gabriel Du Pré, the old Montana fiddler at the center of Peter Bowen s atmospheric, engrossing series set in the dirty, dusty Montana that s rarely featured in travel brochures, has a knack for finding trouble. Or rather, trouble has a knack for finding him. There s a rumor going around that Du Pré and his old sorceror friend Benetsee have come across a parcel containing the lost journals of Lewis and Clark, and outsiders, drawn by the spirit of the legendary explorers, are beginning to invade Toussaint. Du Pré won t say whether he s got the journals or not, preferring his usual routine of cigarettes, a whiskey ditch or two and a few fiddling gigs up and down Montana s highways to getting involved in this controversy. Benetsee isn t talking, either, but when a journalist goes a little too far in trying to get the story of the lost journals, and the two men s friends and family are put squarely in the face of danger, Du Pré doesn t have much choice but to wade in and set things right. The Gabriel Du Pré mysteries have become required reading for fans of the vanishing West, and Peter Bowen s storytelling talent continues to thrive in *The Tumbler*, a dazzling entry in what has become a classic series.
