Together with his body-jumping friend, Ivy Calloway, Angus must battle a prehistoric monster, rescue his little sister, and transport himself back to his own world. That is, if he can find his invention. Will Angus survive the most colossal dung heap he's ever seen? Will Ivy overcome a huge flea infestation? And what will become of the tranquil Clark household when a fierce hunter moves in? The Crystal Lair is the second novel in the Inventor-in-Training series. Angus and Ivy have survived the pirates and now come face-to-face with prehistoric animals, harsh blizzard conditions, and one tough granny.
