*A very amazing publication with perfect and lucid information. We have read through and that i am certain that i will planning to study once more yet again in the future. You will not really feel monotony at anytime of the time (that's what catalogues are for about should you question me).

American School of Classical Studies at Athens. Paperback. Book Condition: new. BRAND NEW, An Ancient Shopping Center: The Athenian Agora, Dorothy B. Thompson, As well as being a political center, the Agora was the focus of a noisy and varied commercial life. This booklet illustrates the archaeological, documentary, and pictorial evidence for such diverse trades as shoe-making, fishmongering, weaving, and the manufacture of luxury goods and perfumes. Shopping was just one aspect of this public space: ancient Athenians would also have received medical treatment, been married and buried, made sacrifices, and received education in the Agora. The material remains from all of these activities are also discussed. Vivid illustrations and useful resources, such as a table of prices and coinage, bring the bustling marketplace to life.
