Although they try to thwart Murkar's campaign by disrupting a witch's plans, they are assailed by attacks including an insidious whirlpool spell. Further confrontation can eliminate the immediate threat, but could ignite a chain-reaction that will tear the universe apart. As the kids try to rally friends to help them, many are missing. And Murkar intensifies the crisis with an ultimatum: either the Shards of Athenia are his within 10 days or the cornerstone of the universe, the Amulet of Creation will perish, destroying all of humanity. Unknown to all, a psychic group from a little-known planet has its own solution to averting a universal disaster. This item ships from La Vergne, TN. Paperback.
