Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Family Plots is a fresh and funny autobiographical novel about a young mother trying against all odds to create a normal family life with her new husband, a criminal attorney, who it turns out is committing a few crimes of his own. The novel offers readers a wry, unsentimental account of a marriage barreling toward calamity. In an attempt to find romance, family, and financial stability, its struggling heroine stumbles into a world of pseudonyms, fake weddings, and hidden bank accounts. Events that land many of the players into the family cemetery plot also reveal unexpected secrets and stashes that manage, in small ways, to transform a tale of seeming tragedy into one of surprising healing and redemption.
