Darnell Saunders, the founder and pastor of the New Generation Worship Center, presents twelve biblical principles encouraging essential qualities for achieving spiritual and physical success. In his studies of God s word, it has become Dr. Saunders s understanding and belief that our Heavenly Father not only wants but also expects his people to operate at their creative peak. Moses s narration of God s creation of the world gives us this profound message. And we are created in his image, patterned after him. The central point of the book is that God does not jump up and do something every time someone prays or calls his name. God does not manipulate the movements of humankind. Rather, at the Creation, he provided principles that function according to his will. Once you understand how these principles work in your life, you will be richly blessed with fruitfulness and prosperity. If you are able to apply willpower and critical thinking, and if you re willing to accept responsibility, sacrifice, and God s destiny for you, then you are ready to learn habits that can make you a winner at everything you do!.
