Excerpt: . . . 11 Now, the Ministerial in Singapore was a significant meeting, be-cause it was the first meeting of the WTO when we were going to try and put these principles into effect. So, we had to make some breaks with the past and move into an organization that was going to be able to deal with a world of 18-month product life cycles. This is going to require some different ways of doing things. Obviously, the main things we were looking at was how the agreements are being implemented How were we going to advance the ongoing work And then the area that received the most press attention about these new areas that have to be explored in the fu-ture. We are, as I take it some of you are, pleased with the results from Singapore. The ITA is obviously...
