Reviews

Extensive manual! Its this type of great read through. This can be for all who statte there was not a worth reading. It is extremely difficult to leave it before concluding, once you begin to read the book. (Dr. Furman Becker V)

A STUDENT'S GUIDE TO LAW SCHOOL: WHAT COUNTS, WHAT HELPS, AND WHAT MATTERS.

University of Chicago Press, Chicago and London, 2013. Softcover. Book Condition: New. Chicago Guides to Academic Life.. 216 pages. Softcover. New book. LAW. Law school can be a joyous, soul-transforming challenge that leads to a rewarding career. It can also be an exhausting, self-limiting trap. It all depends on making smart decisions. When every advantage counts, A Student's Guide to Law School is like having a personal mentor available at every turn. As a recent graduate and an appellate lawyer, Andrew Ayers knows how high the stakes are—he's been there, and not only did he survive the experience, he graduated first in his class. In A Student's Guide to Law School he shares invaluable insight on what it takes to make a successful law school journey. Originating in notes Ayers jotted down while commuting to his first clerkship with then-Judge Sonia Sotomayor, and refined throughout his first years as a lawyer, A Student's Guide to Law School offers a unique balance of insider's knowledge and professional advice. Organized in four parts, the first part looks at tests and grades, explaining what's expected and exploring the seven choices students must make on exam day. The second part discusses the skills needed to be a successful law student, giving the reader easy-to-use tools to analyze legal materials and construct clear arguments. The third part contains advice on how to use studying, class work, and note-taking to find your best path. Finally, Ayers closes with a look beyond the classroom, showing students how the choices they make in law school will affect their career—and even determine the kind of lawyer they become. The first law school guide written by a recent top-ranked graduate, A Student's Guide to Law School is relentlessly practical and thoroughly relevant to the law school experience of today's students....
