The Teacher s Logic (Classic Reprint) (Paperback)

By John Ernest Adamson

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Teacher s Logic Teachers do not seem to recognise how close a connection exists between the general principles of Logic and the theory and practice of Teaching. They regard Logic as a subject that, though it may afford valuable mental exercise, has no direct bearing on their professional work. It is the aim of this book to show that such a view is entirely erroneous. In the following pages I have endeavoured to explain those parts of logical doctrine which are most closely related to the theory of teaching, and to draw from them suggestions as to the best methods of exposition of such subjects as fall within an ordinary school course. With this aim in view, I have not hesitated to omit much which will usually be found in an elementary work on Logic, but which does not subserve the purpose I have in view; while, on the other hand, I have treated many parts of inductive Logic more fully than is usual in a work of this kind. In the matter of...
