WestBow Press, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Where Do You Kneel? is not a book for everyone. If you prefer to live your life ignoring what motivates you and not questioning decisions you make, don't consider reading it! Do you find yourself in a place where you'd like life to be more than just going through the motions? Are you ready for your faith to feel less like an obligation and instead be a joy? Do you want to explore how to live life-instead of merely existing? If these questions speak to you, then Where Do You Kneel? may just be what you're looking for. The book is about the subtle idolatry we have allowed in our lives today. While idols were once easy-to-spot graven images, today they can be found as subtle concepts that have replaced faith in God.
