Absolutely essential study book. It normally fails to price excessive. I realized this ebook from my dad and i encouraged this publication to find out.

IRISH OMALLEY THE OZARK MOUNTAIN BOYS

New Forums Press. Paperback. Book Condition: New. Paperback. 264 pages. Dimensions: 8.5in. x 5.5in. x 0.6in. The Irish OMalley Gang represented the final installment of America's great 1930s depression-era Super Gangs following in the footsteps of both the John Dillinger and Ma Barker-Karpis Gangs. The final version of the outlaw band was the result of the merging of two separate and unique criminal enterprises, one deriving from a rural environment, the second urban in nature. Their story involved a small cadre of hard-nosed underworld hoodlums joined by an army of thrill-starved gangster molls and criminal associates, which eventually evolved into a loosely-knit organization. Its members drifted across the Midwest committing a national headline grabbing kidnapping and several brutal murders as well as looting a dozen banks. Law enforcement dubbed the lawless band the most highly disciplined and efficient of the day. Their bank raids were well-planned and conducted in precise clockwork fashion. Not until the final months of the group's existence did investigators, including J. Edgar Hoover's vaunted G-Men, connect the dots and conclude a single group initially dubbed The Midwest Bank Robbers was behind the epidemic of bank heists. On realizing this fact, Hoover's boys began tracking the group like the hound and the hare. But, track them they did and with deadly efficiency. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
