

Multinational Management Accounting (Hardback)

By Ahmed Riahi-Belkaoui, Ahmed Belkaoui

ABC-CLIO, United States, 1991. Hardback. Book Condition: New. New.. 236 x 157 mm. Language: English . Brand New Book ***** Print on Demand *****.As multinational firms struggle to compete in a global economy, their operating and accounting decisions are being made in an environment that is characterized by fluctuating exchange rates, innovative and flexible organizational structures, and a dynamic and diverse control strategy. As a result, managerial accounting techniques have to adapt to this unique environment by devising new ways to solve decision problems. This book explores the major issues that accountants in multinational corporations, and their outside consulting firms, must deal with if they are to understand how the corporation is performing financially, and if they are to effectively advise top management. To describe the specific environment of multinational management accounting and the particular accounting techniques required for efficient operation, Ahmed Belkaoui divides his study into four topical sections. The first offers an introductory overview of the new international business environment and the extent of financial engineering. Section two focuses on managing exchange rate risks, and covers such issues as the management of foreign exchange risk, the management of economic exposure, and the management of transaction exposure. Organization and...
