The manual covers all technique requirements for the belt as well as katas if they are required. These manuals are available from YELLOW BELT thru BLACK BELT with a complete breakdown step-by-step of the individual techniques and the Kata requirements are listed as well. This manual is a reference manual and design to assist the student with learning their techniques not to teach the techniques to the student. In this manual you will find all the requirements for Junior 3rd Brown Belt Self Defense Techniques. 20 self-defense techniques and Mass Attacks (right side) This item ships from La Vergne, TN.
