Alan Stransman Publishing, United States, 2013. Paperback. Book Condition: New. 198 x 126 mm. Language: English . Brand New Book ***** Print on Demand *****.What is a Badass ? A Badass is someone who says things like this: I m going to give you the system that is literally step-by-step and is proven to create sexual intrigue that is so compelling and so powerful that almost any girl you use it on will find their panties around their knees soaked to the max before she can even say, My name is. The above excerpt is taken from the promotional video for one of the most popular so-called dating guides for men, called The Tao of Badass. Notice the language - the product that is being promoted is a system that men can use on a woman or girl - to not only create instant sexual intrigue, but an immediate sexual response. Almost any girl you use it on, we are told, will find their panties around their knees soaked to the max. Soaked to the max! And she hasn t even had the chance to say, My name is. Yeah, that s Badass stuff. It s also date-rape stuff. Isn t the so-called date-rape drug designed to render a woman unconscious so that she is unable to defend herself against unwanted sexual contact. A very similar theme is at work in much of the contemporary dating and seduction guide literature. What is being promoted are not dating tips or dating advice but something far more sinister and dangerous - fantasies of controlling women and forcing them to act against their will. Badass B***S***: Helping Young Men Identify and Reject Toxic Ideas About Dating, Relationships, Women and Sex by Alan Stransman is a critical examination of the ideas and attitudes expressed...
