It s enough energy to run a home for a year, or reduce it to rubble in an instant. It s also the output of your favorite radio station. The energy flows around us all the time, ever if it cannot be seen or felt. Kazuki was born with the ability to feel these radio stations. He can take the power, and use it for himself. The ability goes by many names; tuning, channeling, radio telepathy. Most of all though he suspects that he s not the only one with this sixth sense. After years of being the only Channeler in Japan, Kazuki travels with his brother, Satoshi to America. His wish to find other Channelers comes true when he finds people using channeling for dancing, or singing, or. fighting. And Kazuki quickly learns that when two Channelers fight, all hell breaks loose. Being the only Channeler was easy but now he finds himself on the low rung of the ladder. He s going to need his brother to pass along his army training if he s ever going to defend himself against Alden. A Channeler whose power dwarfs his own in every aspect. But will Kazuki even be able to stand once the dust settles and will he find out along the way what it really means to be a Channeler?.
