Bei Mehrfachbestellung werden die Versandkosten anteilig erstattet. - Tony Wright's Very Short Introduction to British Politics is an interpretative essay on the British political system, rather than merely an abbreviated textbook on how it currently works. He identifies key characteristics and ideas of the British tradition, and investigates what makes British politics distinctive, while emphasizing throughout the book how these characteristics are reflected in the way the political system actually functions. Each chapter is organized around a key theme, such as the constitution or political accountability, which is first. 122 pp. Englisch.
