

How Money Is Made in Security Investments: Or a Fortune at Fifty-Five (Paperback)

By Henry Hall

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.It is encouraging to note the number of recent publications, both in book and magazine form, devoted to the subject of the market for securities, and to observe in them a definite effort to put trading in stocks and bonds on a strictly scientific basis. The sooner a general impression is created that money is made in security investments not by any hit and miss method, not by being on the inside, and not by any mechanical chart, but only by careful study of intrinsic values and economic conditions, the better it will be for the managers of railroad and other corporate enterprises depending on public subscriptions to capital. For this reason it is a pleasure to commend the book of Mr. Hall, which is well calculated to create an intelligent judgment on the subject of stock and bond values. The book has already aroused considerable interest because of its sub-title, A Fortune at Fifty-Five, and the comment has been, on the whole, favorable to the author's argument. This argument it is impossible to state with fairness...

Reviews

A must buy book if you need to adding benefit. It really is written in straightforward words and not difficult to understand. I am just pleased to let you know that here is the best ebook i have got read through in my individual daily life and may be the best book for ever.

-- **Prof. Charles Boehm**

Completely among the best pdf I actually have possibly read through. It is probably the most awesome pdf we have read. You won't really feel monotony at whenever you want of your time (that's what catalogs are for about in the event you ask me).
