

Physical Computing and Makerspaces (Paperback)

By Amie Jane Leavitt

Rosen Central, United States, 2014. Paperback. Book Condition: New. 231 x 180 mm. Language: English . Brand New Book. The urge to experiment and create has been strong in humankind since time immemorial. So, too, has the need to gather together for the greater good. Makerspaces, where innovators meet to advance technologies through physical computing, answer the call of both these motivating factors. Once a wave of the future, makerspaces are quickly becoming a fixture in the here and now. This books lets students discover where to find, and how to make the best use of, these creative spaces.
