

Evidence of You (Paperback)

By Jeff Metz

Publish America, United States, 2006. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book. The vast majority of the poems in this volume deal with love and relationships. Each one is taken from life experiences, ranging from moments of lovers bliss, to the beginning of breakups and the aftermath of their demise. I have tried to introduce nature wherever possible because I believe nature and poetry are the perfect couple. This collection of poems is about beauty and despair, chronicling the moments that almost every lover has experienced at one time or another. We all leave evidence of us behind, whether we are leaving for the day to go to work, or leaving for good. Between these pages you will find joy and sadness, passion and despair. It is my fervent wish that you find emotions that you relate to, and that it leaves a lasting impression on your heart.
