What woman does not want stunning calf muscles that look great in a little black dress and some heels? When your legs are showing you can bet people are looking, and the calves are the most prominent area of the legs. Now, you have the chance to build an exercise routine solely for your calves. With Rachel Howe s new book, you will learn 10 exercises that will make those calf muscles pop. The stares you will get now will be completely out of envy. How Is This Book Different from Other Exercise Books? Howe provides you with 10 different exercises for toning your calf muscles. She explains the significance of each exercise, and how you can perform it correctly. You will get real exercises that are proven to have an impact on the calves. You can then take these ten and use them in combination with one another and in rotation with your regular workout. These exercises also do much more than work out your calves. They also. Help your core and arm muscles. Create a healthier cardiovascular system (heart, lungs, and veins). Help to work out your upper legs and butt. Build core stability. How Will Your Legs Benefit? You may be wondering how this is an book for your calves if these exercises help all of these areas. The exercises Howe has combined such as jumping, using barbells, raises, presses, and taps and steps are targeted directly at your calves. Jumping either with a rope or in other exercises is ideal...
