COLOR SPLASH COLORING: A COLLABORATIVE COLORING EXPERIENCE WITH #MSPDGTT (PAPERBACK)

Createspace, United States, 2015. Paperback. Book Condition: New. 216 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Author s message: When I think about drawing a coloring book page, I imagine the final product as a collaborative work of art created in part by me and in part by the colorist. That relationship is in my mind each time I design a page. With that thought, I set out to create a new coloring experience for colorists. A colorful, welcoming page, unlike anything you have colored before. As an artist, some of my favorite visual experiences are paint splashes, textures and collage. You will find these integrated into the coloring pages. It is my hope that you enjoy looking at them as you color and that they add a new dimension to your finished works, deepening the connection between artist and colorist, adding beauty and diversity to your coloring experience. This book contains 21 single sided color splash coloring images.
