Applewood Books. Paperback. Book Condition: New. Paperback. 172 pages. Dimensions: 8.9in. x 5.9in. x 0.6in. Irish emigrants and their children, there is not the least intention of encouraging more emigration, especially from Ireland, than has already taken place. But inasmuch as it still goes on, and is likely to continue for years to come, the information and suggestions contained herein may be useful to many hurtful to none. I must acknowledge, in fact, that the real motive of putting these pages into print is the following: A large number of emigrants from Ireland, in leaving their homes either from choice or necessity, have made, I think, a very fatal mistake in crowding into the large cities of England, Scotland, and America. (Typographical errors above are due to OCR software and don't occur in the book.)
