## COUNTRIES OF THE WORLD: MEXICO

National Geographic Kids. Paperback. Book Condition: new. BRAND NEW, Countries of the World: Mexico, Beth Gruber, Readers will come to understand the disappointments of the Mexican Revolution, the limits of the single-party system, social inequalities, the economy, emigration to the United States, and the effects of the tourist boom on the environment. Features of the series include: main chapters that focus on geography, people and culture, history, government and economy, and nature; 'At a Glance' double spreads to present a maximum amount of information in a minimal amount of space, utilizing charts, tables, time lines, and other highly visual elements; and, full-page maps that highlight physical features, vegetation and ecosystems, history, population, and political organization. As a bonus, every photograph within each chapter is tied to a location on the main map for that chapter. Smaller maps zoom in on special topics, such as migration, rainfall, changing borders, resources, industry, and other important themes. This book includes: special feature sidebars that introduce intriguing people, places, and events; a glossary to aid in comprehension of unfamiliar terms; and, an extensive bibliography that lists books, National Geographic articles, and Web sites.
