Reviews

It is just one of the best publications. This can be for anyone who states that there was not a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Brand New Book ***** Print on Demand *****.What this Intuitive Flow Journal Is. It s no secret that the more you open to your inner life, the more intuitive information, natural guidance and accurate psychic impressions become part of your daily life. The Journal is at once both an intuitive and methodical, systematic place designed to help you consciously tune in to your innate, powerful awareness and your intuitive self. And you ll find that the pages of the Journal offer an expansive, fresh place of focus and excitement for your intuitive self, psychic and spiritual development. Easily divided into four-page sections, spaces are provided to notice and record observations of your emotions and attitudes, your environment and surroundings, your unique intuitive process, and your specific questions and answers. And then you ll find a clear place to view, review and revisit your own natural inner vision and perceptions, as well as your unique personal path and details of the process of how you arrive at your guidance or answers! As you gently, consistently engage with this Intuitive Flow Journal, you will find your conscious connection with your own intuition and inner guidance increasing exponentially in your intuitions - and throughout your daily life! This unique Intuitive Flow Journal offers an expansive, fresh place of excitement for your intuitive focus and development. It is at once both an intuitive and methodical, systematic place designed to help you tune in to your conscious self, your intuitive self, your environment and your surroundings before and as you begin your inner reflections. Divided into four-page sections, the Intuitive Flow Journal offers a series of questions that provide for you a soft and safe...
