Reviews

This pdf may be really worth a read, and superior to other. It generally does not price too much. Once you begin to read the book, it is extremely difficult to leave it before concluding.

NEVER ENDING WORD STUDIES - STUDENT S WORKBOOK: A COMPLETE GUIDE ON HOW TO STUDY GOD S WORD (PAPERBACK)

Createspace, United States, 2013. Paperback. Book Condition: New. Student, Workbook. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.This workbook is a companion to the Teacher s Edition of Never Ending Word Studies. Together, they were developed for use in a classroom situation for Bible schools, church programs, small groups, home school, or personal instruction. You will learn how to dig into your own Bible and find those nuggets of truth that seemed to be available only to the highly trained Bible teachers or pastors. This is a soup-to-nuts course anyone can use to get started on their own Bible study adventure. The Student Workbook starts with a description of the supplies you ll likely need, then will help you decide where to even start your Bible reading adventure. It will answer the question Why we study the Word, as well as teach how to journalize, how to write your own Scripture prayers, how to do word studies and how to do itemized, character and essay studies. By the time you have completed the course, you will have developed your first teaching, ready to present to a live audience. While the Student Workbook has much of the material found in the Teacher s Edition, many of the sample teachings and homework assignments are only available in the Teacher s Edition. The Student Workbook is for students usually in a classroom setting.
