The University of Chicago Press. Paperback. Book Condition: new. BRAND NEW, The Inspector Barlach Mysteries: "The Judge and His Hangman" and "Suspicion", Friedrich Durrenmatt, Joel Agee, Sven Birkerts, This volume offers bracing new translations of two precursors to the modern detective novel by Friedrich Durrenmatt, whose genre-bending mysteries recall the work of Alain Robbe-Grillet and anticipate the postmodern fictions of Paul Auster and other contemporary neo-noir novelists. Both mysteries follow Inspector Barlach as he moves through worlds in which the distinction between crime and justice seems to have vanished. In "The Judge and His Hangman," Barlach forgoes the arrest of a murderer in order to manipulate him into killing another, more elusive criminal. And in "Suspicion," Barlach pursues a former Nazi doctor by checking into his clinic with the hope of forcing him to reveal himself. The result is two thrillers that bring existential philosophy and the detective genre into dazzling convergence. "
