In this fascinating tale of self-discovery, intuitive counselor and medium Dino Calabrese relates his life adventures as an artist and player in the world of fashion and interior design. As a child, Dino came to know that the voices communicating to him were those of Spirits or Guides. Through a series of enriching and challenging experiences, he comes to understand that this guidance is providing him with information to assure his success and wellbeing. Dino s search for happiness and a satisfying expression of his creativity leads him to teachers who show him the best and worst of the awakening New Age movement. As he opens himself as a channel to this realm of perpetual guidance, Dino experiences an ability to hear the messages of spirit guides surrounding other people. By remaining true to himself, Dino discovers his ability to create the life of his dreams by tuning in to this inner guidance -- a pathway of the heart that is WITHIN EACH OF US.
