Just no phrases to describe. It typically does not price an excessive amount of. It is extremely difficult to leave it before concluding, once you begin to read the book.

HALLOW THIS GROUND

Indiana University Press. Paperback / softback. Book Condition: new. BRAND NEW, Hallow This Ground, Colin Rafferty, Beginning outside the boarded-up windows of Columbine High School and ending almost twelve years later on the fields of Shiloh National Military Park, Hallow This Ground revolves around monuments and memorials physical structures that mark the intersection of time and place. In the ways they invite us to interact with them, these sites teach us to recognize our ties to the past. Colin Rafferty explores places as familiar as his hometown of Kansas City and as alien as the concentration camps of Poland in an attempt to understand not only our common histories, but also his own past, present, and future. Rafferty blends the travel essay with the lyric, the memoir with the analytic, in this meditation on the ways personal histories intersect with History, and how those intersections affect the way we understand and interact with Place."
