Createspace, United States, 2011. Paperback. Book Condition: New. 201 x 132 mm. Language: English . Brand New Book ***** Print on Demand *****.How to Rig the NCAA Basketball Championship for Fun and Profit is a humorous, poignant and alarming novel about a guy who plans to fix the biggest college game of them all to draw attention to the games mounting problems, for revenge and to make a whole lot of money. Over the many years Stanley Osborn reffed, college basketball had grown into a huge business, enriching universities, coaches, equipment and apparel manufactures, donors and the NCAA; everybody associated with the game except the players. The brutal treatment of refs by rabid fans, overpaid coaches, the media and the many conference and NCAA officials increased along with the game s popularity. And it was becoming harder each season to convince his wife and daughter that his avocation was worth his time away from home. But most troubling for Stanley was reconciling the sleazier aspects of big-time college sports with its purpose of providing fair, equitable and sportsmanlike competition as part of the higher educational experience of the student-athlete. Finally, after being suspended for tossing perhaps the best coach in the basketball out of a key game, Stan had had enough. He developed a plan to get even with all who had questioned his officiating talent and honesty and to focus much needed attention on the exploitation by and corruption of the sport he once loved. Stan made the life-altering decision to apply his officiating skills to influence the outcome of games without attracting attention. The successful execution of the plan would make him rich. And hopefully promote some much needed reform of college athletics. How to Rig the NCAA Basketball Championship for Fun and Profit is a no-holds barred...
