OUR WESTWARD EXPANSION: THE WAYMIRE FAMILY STORY- OF GENERATIONS MOVING WEST (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This story is about the Westward Expansion Era of our great American heritage as actually experienced by pioneer families spanning several generations. The original European immigrants began arriving on our shores about four hundred years ago and they were the founders of our country, which became a melting pot for all these ethnic groups. These families eventually emerged from colonial times in early America however, and gradually started moving westward displacing the native Indian nations that were here before. This different look at our past through the eyes of some of our ancestors affords a more personal touch that results in a deeper understanding and more lasting impressions that are not usually garnered through the reading of textbooks. Images of ancestors engaged in the associated historic events are enabled to be brought into sharper focus from their often fuzzy obscurity. Such historic...
